

Existing roof top Solar customers to switch within the three schemes (Net Metering, Net Accounting and Net Plus) and to change tariff from Flat tariff to Variable tariff, with reference to the GM Circular 2023/GM/57/CS dated November 03, 2023.

Addendum to Agreement

This Addendum is entered into on, by and between Ceylon Electricity Board and at to review the previous agreements/ amendments, if any, related to the rooftop solar connection.

Amendment

1. Scheme Change

Existing Scheme :

New Scheme :

2. Tariff Category Change (if any) :

Effect

The applicable tariff rates for the exported energy will be that of prevailed tariff at the time of principal agreement was signed. The applicable tariff for Net Metering Customers who have signed agreements before September 05, 2016, will be the rooftop solar tariff introduced on September 05, 2016.
